PACIFIC GAS AND ELECTRIC COMPANY

NONCORE BALANCING AGGREGATION AGREEMENT

EXHIBIT A - CUSTOMER BALANCING AGENT SERVICE AUTHORIZATION

- 1. Customer requests gas balancing services from Pacific Gas and Electric Company (PG&E) and authorizes the Party listed below to act as Customer's Balancing Agent for the purpose of acting on behalf of Customer in complying with all applicable PG&E tariffs, and administering, managing, and complying with all applicable balancing, capacity allocation and constraint obligations, rights, noncompliance charges, cash-out payments, and credits related to Customer's PG&E account as specified in this Exhibit A.
- 2. This Exhibit A, when executed, appoints the Balancing Agent to act on Customer's behalf, and is attached to and made part of the Noncore Balancing Aggregation Agreement (NBAA) executed by Balancing Agent and PG&E. This Exhibit A shall apply the provisions of the NBAA to Customer's account, in aggregation with other Customers for whom Balancing Agent acts under this NBAA.
- 3. If PG&E receives this Exhibit A, completed and executed by both Customer and Balancing Agent, at least one (1) business day prior to the first day of the next month, the Balancing Agent may act on behalf of Customer effective the first day of the month following the month PG&E receives this Exhibit. If PG&E receives this Exhibit A less than one (1) business day prior to the first day of the following month, the Balancing Agent may act on behalf of Customer effective the first day of the second full month following PG&E's receipt hereof.
- 4. This Exhibit A will continue on a month-to-month basis unless canceled by PG&E as specified in gas Rule 25, or until the effective date of an Exhibit B to the NBAA, submitted to PG&E and executed by Customer or Balancing Agent.
- Communications will be sent to the addresses listed under the Communications section of the NBAA. The addresses listed in the NBAA do not replace the current billing address on the Customer's PG&E account.
- 6. Under this Exhibit and NBAA, the Customer authorizes PG&E to release to Balancing Agent by written or electronic transfer, the current and historical gas usage information for PG&E accounts referenced in this Exhibit. The Customer agrees to release, hold harmless, and indemnify PG&E from any liability, claims, demands, causes of action, damages, or expenses resulting from any unauthorized use of this information.
- 7. The Customer requests that Balancing Agent provide services on behalf of Customer for the following PG&E gas account pursuant to the NBAA. Customer acknowledges that Balancing Agent may also provide such services for other Customers under separate NBAAs.
 - 8. To terminate this Exhibit A, an Exhibit B must be executed and submitted to PG&E by either, but not necessarily both, the Balancing Agent or Customer. Customer and Balancing Agent agree that, upon termination of this Exhibit A, they shall be responsible for resolving between themselves any outstanding disputes related to the service and obligations set forth or referenced in the Exhibit A and the NBAA. Once termination is effective, the Customer shall assume all responsibility for all service and for all obligations arising under gas rate Schedule G-BAL, gas Rule 14, and other applicable PG&E gas tariffs.
